- You will be given a special PROMO CODE included on the Fundraiser Announcement for folks to enter at checkout
- Your specific organization items will be displayed on a unique page
- Folks can shop your specific organization selections and the entire OPT brand apparel/items
- All payments are done through the OPT website so you don't have to worry about collecting money
- Once the fundraiser is complete, we will print and send everything to you....along with your money!

Simple Mission

One Purpose Tees was created to 'give back'....that's our purpose.

OPT (and YOU) Pay it Forward!

On top of your fundraiser, OPT still donates 10% to other organizations that we support through our general sales. So, THANK YOU for helping us Pay it Forward.
